

HOLIDAY ASSIGNMENTS (2025-26)

GRADE -II

ENGLISH

1. Write ten lines on any one of the topic given and draw or paste pictures related to it.

i. My favourite food

OR

ii. My favourite season

2. Paste pictures of any five religious festivals.

*Note: Prepare the assignment in A4 size paper, decorate it beautifully and give it in the stick file.

HINDI

1. सर्दी का मौसम इस विषय पर अपने विचार लिखें और साथ में यह भी लिखें कि सर्दी में आप क्या पहनते हैं, क्या खाते हैं और कौन-सा खेल खेलते हैं।

2. अकेले खेले जाने वाले दो खेलों के नाम, दो के जोड़े में खेले जाने वाले दो खेलों के नाम और समूह के रूप में खेले जाने वाले दो खेलों के नाम चित्रों द्वारा दर्शाएँ व उन खेलों के नाम लिखें।

ENVIRONMENTAL STUDIES

1. Draw, label and colour different food groups in a chart paper and paste the different types of food (p.g no. 80 of book).

2. Pandas are mostly found in China. They mainly eat bamboo. Find and write more about their eating habits and home. Draw or paste picture of panda.

COMPUTER

1. Create a Scratch Jr Project showing a clean playground with kids playing. Discuss how keeping our environment clean helps all living creatures.

2. Draw or paste the picture of above created Scratch Jr Project in a chart paper and also write steps to create scratch jr project in same chart paper.

MATHEMATICS

1) Draw 3 pairs of objects.

Example-a) A pencil and a crayon

b) A tree and a plant

c) A spoon and a straw

Write below each pair:

a) "Which one is longer?"

b) "Which one is shorter?"

2) Draw 3 sets of objects (like apples, stars, or balls).

Example:

3 groups of 2 apples = 6 apples

4 groups of 3 stars = 12 stars

Write the multiplication sentence below each picture.

Example: $3 \times 2 = 6$

NOTE: Use colourful objects and group them in circles.
